COCOBOD announces today the results of the Cocoa Bills exchange programme which closed at 4:00 p.m. on 25th August 2023. Approximately 97.38% of eligible holdings tendered their Eligible Bills in the Invitation to Exchange as determined by the Central Securities Depository (“CSD”). Capitalised terms used but not defined herein have the meaning ascribed to such terms in the Exchange Memorandum (as amended from time to time) available at :<http://projects.morrowsodali.com/CocobodDDE>, <https://calbank.net/CocobodDDE> and <https://cocobod.gh/CocobodDDE>

COCOBOD is pleased with the results, as a substantial majority of the Eligible Holdings have tendered. Attached overleaf as an Appendix Table, we are presenting the details regarding the results of the exchange programme.

To provide sufficient time to settle the New Cocoa Bonds in an efficient manner, COCOBOD is extending the Settlement Date of the exchange from the previously announced 1st September 2023 to 4th September 2023. The issue date, interest accrual schedules and payment schedules for the New Cocoa Bonds will be adjusted to reflect the actual Settlement Date. Except as set forth in this paragraph, the terms and conditions of the Invitation to Exchange are not modified or amended.

As the Invitation Period has expired, no new submissions will be accepted except at the sole discretion of COCOBOD, and no revocations or withdrawals are permitted.
