Upon voluntarily tendering Eligible Bonds, the exchange consideration you will receive (including which New Tranches (as defined below) and their allocation per amount of principal tendered) will depend upon the category of Eligible Holder applicable to you. “**Category A Holders**” consist of Eligible Holders that are Collective Investment Schemes (as defined below) or natural persons below the age of 59 years old as of 1st January 2023. “**Category B Holders**” consist of Eligible Holders that are natural persons 59 years old or older as of 1st January 2023. “**General Category Holders**” consist of Eligible Holders that are not Category A Holders or Category B Holders, which may include corporate entities and financial institutions not contained within the definition of Collective Investment Schemes, but may not include Pension Funds. For purposes of the Invitation to Exchange, a “**natural person**” is a natural person who, in respect of the Eligible Bonds being tendered by such person, is registered as such (or with an equivalent term) in the records of the CSD (as defined below).

Other than with respect to the dates set forth herein and the payment of interest that has accrued since the February Exchange, the terms of the Invitation to Exchange are identical to the terms of the February Exchange. Notwithstanding this, we are restating the exchange memorandum in connection with the February Exchange in full.

TO ALL REGISTERED HOLDERS OF ELIGIBLE BONDS (A) THAT ARE NOT PENSION FUNDS (AS DEFINED BELOW) AND (B) THAT HAVE NOT TENDERED ELIGIBLE BONDS IN THE PRIOR DOMESTIC CEDI EXCHANGES (AS DEFINED BELOW) (“ELIGIBLE HOLDERS”):

FOR NEW TRANCHEs OF THE REPUBLIC’S EXISTING EXCHANGE SERIES AS DESCRIBED BELOW (SUCH NEW TRANCHEs, THE “NEW TRANCHEs”)

The Invitation to Exchange (as defined below) will expire at 4:00 p.m. (GMT) on 22nd September 2023 (such time and date, as may be extended or earlier terminated by the Republic at its sole discretion with respect to each series of Eligible Bonds, the “**Expiration Date**”). Eligible Holders (as defined below) who validly deliver an Offer or Exchange Instruction (as defined below) on or before the Expiration Date will be eligible to receive on the Reopening Settlement Date (as defined below) the applicable principal amount of the applicable New Tranches for such Eligible Holder. Offers may not be revoked or withdrawn at any time, except under certain limited circumstances as described herein. We reserve the right to extend the Expiration Date with respect to one or more series of Eligible Bonds at our sole discretion.

13th September 2023

We, the Republic of Ghana (“**Ghana**”, the “**Republic**” or the “**Government**”), are hereby inviting Eligible Holders to voluntarily submit Offers (as defined below) to exchange their Eligible Bonds for New Tranches of Existing Exchange Series on the terms and subject to the conditions described herein (the “**Invitation to Exchange**”). **By tendering their Eligible Bonds, Eligible Holders represent and warrant that such Eligible Bonds constitute all the Eligible Bonds owned by them. Participation in this Invitation to Exchange is voluntary. For the avoidance of doubt, Eligible Holders are not obligated to participate.**

Upon tendering Eligible Bonds, the exchange consideration Eligible Holders will receive (including which New Tranches and their allocation per amount of principal amount tendered) will depend upon the category applicable to such Eligible Holder (each such category a “**Holder Category**”). “**Category A Holders**” consist of Eligible Holders that are Collective Investment Schemes (as defined below) or natural persons below the age of 59 years old as of 1st January 2023. “**Category B Holders**” consist of Eligible Holders that are natural persons 59 years old or older as of 1st January 2023. “**General Category Holders**” consist of Eligible Holders that are not Category A Holders or Category B Holders, which may include corporate entities and financial institutions not contained within the definition of Collective Investment Schemes, but may not include Pension Funds. For purposes of the Invitation to Exchange, a “**natural person**” is a natural person who, in respect of the Eligible Bonds being tendered by such person, is registered as such (or with an equivalent term) in the records of the CSD (as defined below).

IF YOU HAVE TENDERED ELIGIBLE BONDS IN EITHER OF THE TWO PRIOR GHS-DENOMINATED INVITATIONS TO EXCHANGE BY THE GOVERNMENT IN 2023 (I.E., IN FEBRUARY 2023 (THE “FEBRUARY EXCHANGE”) OR IN AUGUST 2023 WITH RESPECT TO PENSION FUNDS (THE “PENSION FUND ALTERNATIVE OFFER”, AND TOGETHER WITH THE FEBRUARY EXCHANGE, THE “PRIOR DOMESTIC CEDI EXCHANGES”)) YOU ARE NOT ELIGIBLE TO TENDER IN THIS INVITATION TO EXCHANGE AND ARE NO LONGER AN ELIGIBLE HOLDER. THE PURPOSE OF THIS INVITATION TO EXCHANGE IS TO PROVIDE THOSE HOLDERS WHO DID NOT PARTICIPATE IN EITHER OF THE PRIOR DOMESTIC CEDI EXCHANGES WITH THE OPPORTUNITY TO EXCHANGE THEIR ELIGIBLE BONDS FOR NEW TRANCHES (AS DEFINED BELOW).

The issuances pursuant to this Invitation to Exchange consist of new Tranches of the Existing Exchange Series issued pursuant to the February Exchange. Such new Tranches are being issued pursuant to a reopening of the Existing Exchange Series and are issued on the same financial terms as the tranches of the Existing Exchange Series that were issued in the February Exchange.

Other than with respect to the dates set forth herein and the payment of interest that has accrued since the February Exchange, the terms of the Invitation to Exchange are identical to the terms of the February Exchange. Notwithstanding this, we are restating the exchange memorandum in connection with the February Exchange in full.

TO BE CLASSIFIED AS CATEGORY A HOLDER OR CATEGORY B HOLDER, WHEN TENDERING ITS ELIGIBLE BONDS, EACH TENDERING ELIGIBLE HOLDER MUST CERTIFY THAT IT MEETS THE DEFINITION OF THE APPLICABLE CATEGORY BY EITHER SUBMITTING A COPY OF THE EXCHANGE FORM ATTACHED HERETO AS APPENDIX 3 OR USING SIMILAR CERTIFICATION LANGUAGE IF THE OFFER OR EXCHANGE INSTRUCTION IS SUBMITTED BY OTHER MEANS PERMITTED HEREUNDER (AS SPECIFIED IN THE EXCHANGE PROCEDURES ATTACHED HERETO AS APPENDIX 2). ABSENT SUCH CERTIFICATION, A TENDERING ELIGIBLE HOLDER WILL BE DEEMED TO BE A GENERAL CATEGORY HOLDER FOR PURPOSES OF THIS INVITATION TO EXCHANGE. NOTWITHSTANDING THE FOREGOING, THE REPUBLIC RESERVES THE RIGHT TO DETERMINE THE APPROPRIATE CATEGORY OF ANY ELIGIBLE HOLDER ACCORDING TO THE DEFINITIONS OF THE CATEGORIES SET FORTH HEREIN.

BY TENDERING THEIR ELIGIBLE BONDS, ELIGIBLE HOLDERS REPRESENT AND WARRANT THAT THEY DID NOT ACQUIRE SUCH ELIGIBLE BONDS FOLLOWING THE ANNOUNCEMENT OF THE INVITATION TO EXCHANGE AS PART OF AN ARRANGEMENT WITH THE PURPOSE OF RECLASSIFYING THE HOLDER CATEGORY UNDER WHICH THEY FALL WITH RESPECT TO SUCH ELIGIBLE BONDS. THE REPUBLIC RESERVES THE RIGHT IN ITS SOLE DISCRETION TO REJECT ANY OFFERS MADE WITH RESPECT TO ELIGIBLE BONDS TRADED FOR SUCH PURPOSES.

For the list of the Eligible Bonds, see “*The Eligible Bonds*” below. For a detailed description of the financial terms of the New Tranches, see “*Financial Terms of the New Tranches*” below.

For the avoidance of doubt, notwithstanding the Invitation to Exchange Eligible Bonds for the New Tranches, the Republic in its sole discretion, may settle the Eligible Bonds in full or in part. The Eligible Holders' subscription to receive New Tranches is voluntary.

The Republic is offering Eligible Holders accrued and unpaid interest (“**Accrued Interest Payable**”) on their Eligible Bonds validly tendered and accepted by the Republic, calculated from and including the last interest payment date up to, but excluding, the Original Settlement Date, which amount will be paid to such Eligible Holders in the form of capitalized interest (rounded down to the nearest GHS1.00) added to the principal amount of the New Tranches and distributed across the New Tranches in the same proportion as the Exchange Consideration Ratios set forth in the tables below. For more, see “*Amount of New Tranches Received in respect of the Eligible Bonds*” below.

The Republic is also offering Eligible Holders whose validly submitted Offers are accepted and who receive New Tranches on the Reopening Settlement Date a payment on or about 3rd October 2023 equal to the interest that would have accrued on such New Tranches from 21st February 2023 to but excluding 22nd August 2023 (the first interest payment date under the Existing Exchange Series) as if such New Tranches had been issued on 21st February 2023 and held by such Eligible Holders as of 22nd August 2023; except that those tendering Eligible Holders who received coupon payments on their Eligible Bonds after 21st February 2023 will instead receive a cash payment equal to the interest accrued on their Eligible Bonds from and including such last coupon payment date to but excluding 22nd August 2023.

Eligible Holders whose validly submitted Offers are accepted by the Republic will receive on the Reopening Settlement Date principal amounts of New Tranches which will be allocated (as further described in the following tables) depending on such Eligible Holder's Holder Category when they tender, calculated with the consideration ratios described in the applicable table below (the “**Exchange Consideration Ratios**”) per principal amount of Eligible Bonds tendered (including the Accrued Interest Payable in respect thereof), which Exchange Consideration Ratios are, for the avoidance of doubt, the same Exchange Consideration Ratios as in the February Exchange.

In particular, Category A Holders whose validly submitted Offers or Exchange Instructions are accepted by the Republic will receive a new Tranche (each such new Tranche, a “**Category A New Tranche**”) of the Domestic Exchange Series 2023-A-1 Bonds due 2027 and Domestic Exchange Series 2023-A-2 Bonds due 2028 (such existing Series issued by the Republic on 21st February 2023, together with the other Series issued by the Republic on such date, the “**Existing Exchange Series**,” and each new Tranche of each such Existing Exchange Series issued pursuant hereto (including the Category A New Tranches), a “**New Tranche**” and, collectively, the “**New Tranches**”), allocated using the Exchange Consideration Ratios (see “*Financial Terms of the New Tranches*” below for a detailed description of the financial terms of the Category A New Tranches):

Exchange Consideration Ratios in respect of Eligible Bonds tendered by Category A Holders (Allocation of principal amount of New Tranches to receive per (i) outstanding principal amount of Eligible Bonds tendered <i>plus</i> (ii) amount of Accrued Interest Payable in respect thereof)		
<i>Eligible Bond tendered:</i>	Category A New Tranche due	
	2027	2028
Any Eligible Bond	50%	50%

Category B Holders whose validly submitted Offers or Exchange Instructions are accepted by the Republic will receive a New Tranche of each of the Republic's Domestic Exchange Series 2023-B-1 Bonds due 2027 and Domestic Exchange Series 2023-B-2 Bonds due 2028 (such New Tranches, the "**Category B New Tranches**"), allocated using the following Exchange Consideration Ratios (see "*Financial Terms of the New Tranches*" below for a detailed description of the financial terms of the Category B New Tranches):

Exchange Consideration Ratios in respect of Eligible Bonds tendered by Category B Holders (Allocation of principal amount of New Tranches to receive per (i) outstanding principal amount of Eligible Bonds tendered <i>plus</i> (ii) amount of Accrued Interest Payable in respect thereof)		
<i>Eligible Bond tendered:</i>	Category B New Tranche due	
	2027	2028
Any Eligible Bond	50%	50%

General Category Holders whose validly submitted Offers or Exchange Instructions are accepted by the Republic will receive New Tranches of the Republic's Domestic Exchange Series 2023-GC-1 through 2023-GC-12 (such New Tranches, the "**General Category New Tranches**") depending on whether the tendered Eligible Bonds are or were due 2023 (the "**Eligible 2023 Bonds**") or later than 2023 (the "**Eligible Post-2023 Bonds**"), in each case allocated using the Exchange Consideration Ratios described in the table below.

Exchange Consideration Ratios in respect of Eligible Bonds tendered by General Category Holders (Allocation of principal amount of New Tranches to receive per (i) outstanding principal amount of Eligible Bonds tendered <i>plus</i> (ii) amount of Accrued Interest Payable in respect thereof)												
<i>Eligible Bond tendered:</i>	General Category New Tranche due											
	2027	2028	2029	2030	2031	2032	2033	2034	2035	2036	2037	2038
Eligible 2023 Bonds	15%	15%	14%	14%	14%	14%	14%	N/A	N/A	N/A	N/A	N/A
Eligible Post-2023 Bonds	9%	9%	9%	9%	8%	8%	8%	8%	8%	8%	8%	8%

Per the table above, in exchange for Eligible 2023 Bonds, General Category Holders will receive seven General Category New Tranches (see "*Financial Terms of the New Tranches*" for a detailed description of the financial terms of the General Category New Tranches), maturing one per year consecutively from and including 2027 through and including 2033. In exchange for Eligible Post-2023 Bonds, General Category Holders will receive 12 General Category New Tranches, maturing one per year consecutively from and including 2027 through and including 2038.

For the avoidance of doubt, unlike General Category Holders, the exchange consideration for Category A Holders and Category B Holders does not vary depending on whether they tender Eligible 2023 Bonds or Eligible Post-2023 Bonds.

The New Tranche Documentation (as defined below) does not restrict the ability of the New Tranches to be traded in the secondary markets.

Interest on the New Tranches will be paid in cash ("**Cash Interest**"), except that with respect to the General Category New Tranches only, and only during the period from and including 21st February 2023 to (but excluding) 18th February 2025, the Republic will pay a specified portion of the interest (the "**PIK Interest**") by instead increasing by such amount the principal of such General Category New Tranches. For the specific PIK Interest portion for each General Category New Tranche see "*Financial Terms of the New Tranches*".

Eligible Holders holding Eligible Bonds maturing on or prior to the Reopening Settlement Date (including, without limitation, any extension of the Reopening Settlement Date) (each such Eligible Bonds, a "**Maturing Eligible Bond**") will **not** receive a final interest payment (except for Accrued Interest Payable for tendering holders as described herein) or a final principal payment (regardless of whether an Eligible Holder has tendered or not) on such Maturing Eligible Bonds. Offers or Exchange Instructions in respect of Maturing Eligible Bonds made after their maturity date but prior to the Reopening Settlement Date will be, and those made prior to such maturity date will remain, valid, and the Republic will treat Maturing Eligible Bonds in respect of such Offers or Exchange Instructions as still outstanding for purposes of the Invitation to Exchange.

LETTER FROM THE MINISTRY OF FINANCE OF THE REPUBLIC OF GHANA

MINISTRY OF FINANCE Government of Ghana

13th September 2023

To: Holders of Domestic Notes and Bonds of the Republic of Ghana, E.S.L.A. Plc, and Daakye Trust Plc

Subject: Opportunity to Participate in the Domestic Debt Exchange Programme (“**Invitation to Exchange**”)

Dear Esteemed Creditors,

As you know, the Domestic Debt Exchange Programme (DDEP) closed in September, and is a critical milestone in securing the restoration of the sustainability of our public finances. The first part of this voluntary exchange, consisting of the exchange of notes and bonds of the Republic, E.S.L.A. Plc and Daakye Trust Plc closed in February 2023, with a participation ratio of close to 85%.

We are aware that a number of holders of such notes and bonds did not participate in the February 2023 DDEP on time and, as a result, were left with their old instruments.

Mindful of this development, we are proceeding with an administrative reopening of the February 2023 DDEP. The terms of the exchange in this invitation reflect the terms of the exchange closed in February, except that the relevant dates for this reopening exercise have changed compared to the February Exchange and this reopening contemplates a payment of interest accrued since the settlement of the February Exchange in favour of tendering holders.

We believe that there is value for creditors to participate in this exchange. Indeed, the new instruments (the “New Tranches”) are expected to be more liquid than the old bonds considering the larger investment base and the benchmark size of such New Tranches. In addition, the Government could under certain circumstances prioritize payments on the New Tranches over payment on the old instruments (the Eligible Bonds). Participation in this administrative reopening would also further improve the cashflow position of the Government and further support debt sustainability.

Please feel free to reach out to us if you require any further information or clarification regarding the proposed debt exchange.

Thank you for your understanding and cooperation in this endeavour.

Sincerely,

Kenneth Ofori-Atta
Minister for Finance
Republic of Ghana

THE ELIGIBLE BONDS

The following tables set forth the series of Eligible Bonds subject to the Invitation to Exchange (collectively, the “**Eligible Bonds**”). Certain non-marketable securities issued by the Republic are not subject to this Invitation to Exchange. Such non-marketable securities may, however, be the subject of other exchanges and purchases by the Government from time to time.

1. GHS-denominated Eligible Bonds issued by the Republic of Ghana (the “GoG GHS Eligible Bonds”).

COMMON TERMS OF THE NEW TRANCHES

The New Tranches will be issued pursuant to the deed of covenant issued by the Republic of Ghana dated 21st February 2023 (the "**Deed of Covenant**") (including the terms and conditions for each of the instruments issued pursuant thereto attached as Schedule 1 thereto) and the pricing supplement for each New Tranche (each, a "**Pricing Supplement**" and, together with the Deed of Covenant, the "**New Tranche Documentation**"). The Deed of Covenant is the same Deed of Covenant that was executed in February 2023 in connection with the February Exchange and (other than those terms that contained time limits that have expired) the common terms set forth below with respect to the New Tranches are the identical terms as those applying to the February Exchange. The table set forth below presents a summary of certain terms common to all New Tranches (unless otherwise indicated), and should be read in conjunction with the more detailed description of the bonds appearing in this Exchange Memorandum, as well as in conjunction with the definitive New Tranche Documentation. Certain defined terms in this section have the meaning assigned to them under "Glossary of Terms" herein and under the New Tranche Documentation. References to Conditions mean the terms and conditions of the New Tranches as set out in the Deed of Covenant. Upon the Reopening Settlement Date or reasonably soon thereafter the New Tranche Documentation will be made publicly available on the website of the Ministry of Finance and on the Invitation Website.

Issuer The Republic of Ghana.

Status..... The New Tranches will constitute direct, unconditional and (subject to the provisions of the *Negative Pledge* unsecured obligations of Ghana and (subject as provided above) will rank pari passu, without any preference among themselves, and with all other present and future unsecured and unsubordinated obligations of Ghana, save only for such obligations as may be preferred by mandatory provisions of applicable law; provided, however, that Ghana shall have no obligation to effect equal or rateable payment(s) at any time with respect to any such other unsecured and unsubordinated obligations of the Ghana and, in particular, shall have no obligation to pay other unsecured and unsubordinated obligations of the Ghana at the same time or as a condition of paying sums due on the New Tranches and vice versa.

Issue Date of the Existing Exchange Series..... The Original Settlement Date.

Issue Date of the New Tranches The Reopening Settlement Date.

Negative Pledge So long as any of the Existing Exchange Series remain outstanding, the Republic of Ghana will not, save for certain standard exceptions create, incur, assume or permit to subsist any security interest upon the whole or any part of its present or future assets, undertakings or revenues to secure (i) any of its Public Indebtedness; (ii) any guarantees in respect of its Public Indebtedness; or (iii) the Public Indebtedness of any other person; without at the same time or prior thereto securing such Existing New Series equally and rateably therewith.

Events of Default..... Holders who hold not less than 25 percent in aggregate principal amount of the Existing Exchange Series then outstanding may declare the Existing Exchange Series to be immediately due and payable together with accrued interest at their outstanding principal amount in any of the following events:

(a) *Non-Payment*: the Republic fails to pay any principal on any Existing Exchange Series when due and payable and such failure continues for a period of 15 days; or fails to pay interest on any Existing Exchange Series or any applicable additional amounts when due and payable, and such failure continues for a period of 30 days.

(b) *Breach of Other Obligations*: the Republic does not perform or comply with any of its other obligations under the Existing Exchange Series, and such default is incapable of remedy or is not remedied within 45 days following a notice by a bondholder in connection therewith.

- (g) *Consents*: any authorisation, consent of, or filing or registration with any governmental authority necessary for the performance of any payment obligation of the Republic under the Existing Exchange Series, when due, ceases to be in full force and effect or remain valid and subsisting.

A declaration of acceleration may be rescinded in certain circumstances by the resolution in writing of the holders of at least 66.7 per cent. in aggregate principal amount of the outstanding Existing Exchange Series.

Limitation on Future Issuances

Without limitation of any other provisions hereof, from 21st August 2023 through the date that is three (3) years from 21st February 2023 ("**Additional Series Limitation End Date**"), the Republic will not announce, issue or take any steps to issue any Domestic Public Indebtedness other than the issuance of Tranches of the Existing Exchange Series that can be consolidated with and form a single Series with any of the Series of the Existing Exchange Series that are issued on the issue date; *provided, however*, that for the avoidance of any doubt, this shall not limit the issuance of treasury bills of the Republic during this period or other short-term non-marketable securities through the Additional Series Limitation End Date.

Modification Provisions

The Existing Exchange Series contain provisions, commonly known as "collective action clauses," based upon the model provisions issued by the International Capital Markets Association in 2014 regarding future modifications to the terms of the Existing Exchange Series. Under these provisions the Republic of Ghana may amend the payment and any other provisions of any series of Existing Exchange Series by aggregating voting

across multiple series of debt securities issued by the Republic of Ghana (including the Existing Exchange Series as well as other series of debt securities that may be issued by the Republic of Ghana) with the consent of supermajorities of less than 100% of the holders of such Existing Exchange Series. These collective action clauses will allow the Republic to (a) amend the payment provisions of any series of Existing Exchange Series and certain other reserved matters with the consent of the holders of at least 75% of the aggregate amount outstanding of such series and other non-reserved matters with the consent of the holders of at least 66 2/3% of the aggregate amount outstanding of such series; (b) make reserved matter modifications affecting two or more series of debt securities with the consent of (x) holders of at least 66 2/3% of the aggregate principal amount of the outstanding debt securities of all series that would be affected by that reserved matter modification (taken in aggregate) and (y) holders of more than 50% of the aggregate principal amount of the outstanding debt securities of each affected series (taken individually); and (c) make reserved matter modifications affecting two or more series of debt securities with the consent of holders of at least 75% of the aggregate principal amount of the outstanding debt securities of all affected series (taken in aggregate), provided that the proposed modifications are uniformly applicable to all affected series.

Clearing and Settlement ... The New Tranches shall be eligible for clearing and settlement through the Central Securities Depository (GH) Ltd (“**CSD**”) based on the CSD’s rules in force from time to time.

Fiscal Agent or Trustee..... None.

Governing Law and Consent to Jurisdiction and Waiver of Immunity The Existing Exchange Series (and, consequently, the New Tranches) (including any non-contractual obligations arising from or in connection therewith) are governed by, and will be construed in accordance with, Ghanaian law.

The Republic has submitted to the jurisdiction of the courts of Ghana and waived any immunity from the jurisdiction (including sovereign immunity) of such courts in connection with any action arising out of or based upon the Existing Exchange Series brought by any holder of Existing Exchange Series.

The Republic has not, however, waived immunity from execution or attachment in respect of certain of its assets, namely (a) property or assets used by a diplomatic or consular mission of the Issuer, (b) property or assets of a military character and under the control of a military authority or defence agency of the Issuer or (c) property, assets or infrastructure located in the Republic and dedicated to a public or governmental use (as distinct from property dedicated to a commercial use) by the Issuer or (d) assets protected under the Petroleum Revenue Management Act, 2011 (Act 815).

Form and Denomination.... The New Tranches will be in registered dematerialised form and offered and sold in a minimum denomination of GHS 1.00 and integral multiples of GHS 1.00 thereof.

TERMS AND CONDITIONS OF THE OFFER TO EXCHANGE

General

The Republic, acting through its Ministry of Finance, invites Eligible Holders (as defined below) holding Eligible Bonds to voluntarily submit Offers to exchange Eligible Bonds for New Tranches in this Invitation to Exchange on the terms and conditions set out in this section and in this Exchange Memorandum generally.

The Invitation to Exchange is made to registered holders of Eligible Bonds that are not pension funds (as defined below) (each an “**Eligible Holder**”). Individual Holders, defined as Eligible Holders that are natural persons, may tender their Eligible Bonds. For the avoidance of doubt, the fact that participation is restricted to Eligible Holders does not limit the ability of any prospective investor, regardless of whether it is or not a Pension Fund, to invest in or otherwise trade Exchange Bonds in the secondary markets.

If you have tendered Eligible Bonds in either of the two prior GHS-denominated invitations to exchange by the Government in 2023 (i.e., in February 2023 (the “**February Exchange**”) or in August 2023 with respect to pension funds (the “**Pension Fund Alternative Offer**,” and together with the February Exchange, the “**Prior Domestic Cedi Exchanges**”)) you are not eligible to tender in this Invitation to Exchange and are no longer an Eligible Holder. The purpose of this Invitation to Exchange is to provide those holders who did not participate in either of the Prior Domestic Cedi Exchanges with the opportunity to exchange their Eligible Bonds for New Tranches.

Other than with respect to the dates set forth herein, the payment of interest that has accrued since the February Exchange, the terms of the Invitation to Exchange are identical to the terms of the February Exchange. Notwithstanding this, we are restating the exchange memorandum in connection with the February Exchange in full.

It is the responsibility of each holder of Eligible Bonds, and not of the Republic or its agents, to determine its eligibility as Eligible Holders. To determine whether an investor is the legal holder of record and/or an Eligible Holder the Republic may rely conclusively on the records and registry of the CSD. If the Republic determines that an Eligible Holder that submits an Offer or Exchange Instruction does not meet the requirements herein to participate in the Invitation to Exchange, the Republic may, in its sole discretion, reject such Offer.

Each Eligible Holder delivering Offers will represent and warrant, among others set forth under “*Representations, Warranties and Covenants Deemed to be Made by Eligible Holders Submitting Offers*” in this section, that it (i) has full power and authority to deliver such Offer, (ii) has not relied on the CSD or the Information and Coordination Agent in connection with its investigation of the accuracy of the information contained in this Exchange Memorandum, and (iii) acknowledges that the information contained in this Exchange Memorandum has not been independently verified by the CSD or the Information and Coordination Agent and has been provided by us and other sources that we deem reliable. Use of this Exchange Memorandum for any other purpose is not authorised.

Purpose of this Invitation to Exchange

The purpose of this Invitation to Exchange is (i) to provide those holders who did not participate in either of the Prior Domestic Cedi Exchanges with the opportunity to exchange their Eligible Bonds for New Tranches, and (ii) to further the objectives of the February Invitation of enabling the Republic to reduce the cost and lengthen the maturity of certain of its debt instruments in order to create the conditions of long-term sustainability of its debt burden. A successful Invitation to Exchange in which Eligible Holders holding nearly 100% of the outstanding Eligible Bonds make successful Offers to exchange Eligible Bonds for New Tranches, will be a critical element in securing access to borrowing facilities expected to be granted to the Republic by the IMF and other multilateral lenders.

Terms and conditions of Invitation to Exchange

The Invitation to Exchange is made subject to the terms and conditions set out in this section and this Exchange Memorandum generally.

All Eligible Holders submitting Offers will be deemed to have accepted the terms and conditions of this Invitation to Exchange that are set out in this section and this Exchange Memorandum generally.

Category of Eligible Holders

Upon tendering Eligible Bonds, the exchange consideration Eligible Holders will receive (including which New Tranches and their allocation per amount of principal amount tendered) will depend upon the category applicable to such Eligible Holder (each such category a "**Holder Category**"). "**Category A Holders**" consist of Eligible Holders that are Collective Investment Schemes (as defined below) or natural persons below the age of 59 years old as of 1st January 2023. "**Category B Holders**" consist of Eligible Holders that are natural persons 59 years old or older as of 1st January 2023. "**General Category Holders**" consist of Eligible Holders that are not Category A Holders or Category B Holders, which may include corporate entities and financial institutions not contained within the definition of Collective Investment Schemes, but may not include Pension Funds. For purposes of the Invitation to Exchange, a "**natural person**" is a natural person who, in respect of the Eligible Bonds being tendered by such person, is registered as such (or with an equivalent term) in the records of the CSD.

To be classified as Category A Holder or Category B Holder, when tendering its Eligible Bonds, each tendering Eligible Holder must certify that it meets the definition of the applicable category by either submitting a copy of the Exchange Form attached hereto as Appendix 3 or using similar certification language if the Offer or Exchange Instruction is submitted by any other means permitted hereunder (as specified in the Exchange Procedures attached hereto as Appendix 2). Absent such certification, a tendering Eligible Holder will be deemed to be a General Category Holder for purposes of this Invitation to Exchange. Notwithstanding the foregoing, the Republic reserves the right to determine the appropriate category of any Eligible Holder according to the definitions of the categories set forth herein.

By tendering their Eligible Bonds, Eligible Holders represent and warrant that they did not acquire such Eligible Bonds following the announcement of the amended terms of the Invitation to Exchange as part of an arrangement with the purpose of reclassifying the Holder Category under which they fall with respect to such Eligible Bonds. The Republic reserves the right in its sole discretion to reject any Offers made with respect to Eligible Bonds traded for such purposes.

Offers generally

Each Eligible Holder should consult with his own professional advisors as to the legal, tax, business, financial, regulatory and related aspects of making an Offer in respect of this Invitation to Exchange. No person is authorised to make any representation on behalf of the Republic to any Eligible Holder regarding the legal, tax, business, financial, regulatory and related aspects of making an Offer in respect of this Invitation to Exchange. Further, this Exchange Memorandum is not a recommendation by the Republic or any other person, to make an Offer in respect of this Invitation to Exchange. Each Eligible Holder must make his own investigation and evaluation of the information set out in this Exchange Memorandum, and the merits of making an Offer in respect of this Invitation to Exchange.

Offers to exchange any of the Eligible Bonds may only be submitted in a minimum principal amount of GHS1.00 and integral multiples of GHS1.00 in excess thereof.

Eligible Holders who respond by submitting Eligible Bonds for exchange for New Tranches will be deemed to be making an Offer to the Republic which the Republic may or may not accept. All such Offers must be made in accordance with the procedures set out in Appendix 2 of this Exchange Memorandum.

Receipt by the CSD or the Ministry of Finance of any Offer does not constitute acceptance of such Offer by the Republic, nor does such receipt constitute any representation or warranty by either the CSD or the Ministry of Finance as to the validity or completeness of any Offer made by an Eligible Holder, or that the Offer will be accepted. The Republic reserves the right, in its sole discretion, to accept late Offers made by Eligible Holders.

Settlement Option

For the avoidance of doubt, notwithstanding the Invitation to Exchange Eligible Bonds for the New Tranches, the Republic in its sole discretion, may settle the Eligible Bonds in full or in part and the Eligible Holders' subscription to receive New Tranches is voluntary.

Eligible Bonds

Only the Eligible Bonds that are listed under "*Eligible Bonds*" in this Exchange Memorandum (the "**Eligible Bonds**") are eligible for exchange for New Tranches in this Invitation to Exchange.

The Term Sheet for the New Tranches is set out in Appendix 1. Subject to the terms and conditions set out in this section, the Republic reserves the right to amend such Term Sheet at any time up to, and including, the Acceptance Date.

The Eligible Bonds eligible for, and subject to, this Invitation to Exchange are in dematerialized form.

Following the tender of Eligible Bonds, Eligible Holders will no longer be the holder of such Eligible Bonds and will not receive any accrued interest on such Eligible Bonds.

Amount of New Tranches Received in respect of the Eligible Bonds

The issuances pursuant to this Invitation to Exchange consist of new Tranches of the Existing Exchange Series issued pursuant to the February Exchange. Such new Tranches are being issued pursuant to a reopening of the Existing Exchange Series and are issued on the same financial terms as the tranches of the Existing Exchange Series that were issued in the February Exchange.

Eligible Holders whose validly submitted Offers are accepted by the Republic will receive on the Reopening Settlement Date principal amounts of New Tranches which will be allocated (as further described in the following tables) depending on such Eligible Holder's Holder Category when they tender, calculated with the consideration ratios described in the applicable table below (the "**Exchange Consideration Ratios**") per principal amount of Eligible Bonds tendered (including the Accrued Interest Payable in respect thereof), which Exchange Consideration Ratios are, for the avoidance of doubt, the same Exchange Consideration Ratios as in the February Exchange.

In particular, Category A Holders whose validly submitted Offers or Exchange Instructions are accepted by the Republic will receive a new Tranche (each such new Tranche, a "**Category A New Tranche**") of the Domestic Exchange Series 2023-A-1 Bonds due 2027 and Domestic Exchange Series 2023-A-2 Bonds due 2028 (such existing Series issued by the Republic on 21st February 2023, together with the other Series issued by the Republic on such date, the "**Existing Exchange Series**," and each new Tranche of each such Existing Exchange Series issued pursuant hereto (including the Category A New Tranches), a "**New Tranche**" and, collectively, the "**New Tranches**"), allocated using the Exchange Consideration Ratios (see "*Financial Terms of the New Tranches*" below for a detailed description of the financial terms of the Category A New Tranches):

Any Eligible Bond	50%	50%

Category B Holders whose validly submitted Offers or Exchange Instructions are accepted by the Republic will receive a New Tranche of each of the Republic's Domestic Exchange Series 2023-B-1 Bonds due 2027 and Domestic Exchange Series 2023-B-2 Bonds due 2028 (such New Tranches, the "**Category B New Tranches**"), allocated using the following Exchange Consideration Ratios (see "*Financial Terms of the New Tranches*") below for a detailed description of the financial terms of the Category B New Tranches):

Exchange Consideration Ratios in respect of Eligible Bonds tendered by Category B Holders (Allocation of principal amount of New Tranches to receive per (i) outstanding principal amount of Eligible Bonds tendered plus (ii) amount of Accrued Interest Payable in respect thereof)		
<i>Eligible Bond tendered:</i>	Category B New Tranche due	
	2027	2028
Any Eligible Bond	50%	50%

General Category Holders whose validly submitted Offers or Exchange Instructions are accepted by the Republic will receive New Tranches of the Republic's Domestic Exchange Series 2023-GC-1 through 2023-GC-12 (such New Tranches, the "**General Category New Tranches**") depending on whether the tendered Eligible Bonds are or were due 2023 (the "**Eligible 2023 Bonds**") or later than 2023 (the "**Eligible Post-2023 Bonds**"), in each case allocated using the Exchange Consideration Ratios described in the table below.

Exchange Consideration Ratios in respect of Eligible Bonds tendered by General Category Holders (Allocation of principal amount of New Tranches to receive per (i) outstanding principal amount of Eligible Bonds tendered plus (ii) amount of Accrued Interest Payable in respect thereof)												
<i>Eligible Bond tendered:</i>	General Category New Tranche due

Eligible 2023 Bonds	15%	15%	14%	14%	14%	14%	14%	N/A	N/A	N/A	N/A	N/A
Eligible Post-2023 Bonds	9%	9%	9%	9%	8%	8%	8%	8%	8%	8%	8%	8%

Per the table above, in exchange for Eligible 2023 Bonds, General Category Holders will receive seven General Category New Tranches (see "*Financial Terms of the New Tranches*") for a detailed description of the financial terms of the General Category New Tranches), maturing one per year consecutively from and including 2027 through and including 2033. In exchange for Eligible Post-2023 Bonds, General Category Holders will receive 12 General Category New Tranches, maturing one per year consecutively from and including 2027 through and including 2038.

For the avoidance of doubt, unlike General Category Holders, the exchange consideration for Category A Holders and Category B Holders does not vary depending on whether they tender Eligible 2023 Bonds or Eligible Post-2023 Bonds.

For a description of the financial terms of the New Tranches, see “*Financial Terms of the New Tranches*” elsewhere in this Exchange Memorandum. The Republic of Ghana will publish the Term Sheet for the New Tranches on the Invitation Website.

Final Principal Payments and Interest Accrued and Unpaid and First Interest Payment on Existing Exchange Series.

The Republic is offering Eligible Holders accrued and unpaid interest (“**Accrued Interest Payable**”) on their Eligible Bonds validly tendered and accepted by the Republic, calculated from and including the last interest payment date up to, but excluding, the Original Settlement Date, which amount will be paid to such Eligible Holders in the form of capitalized interest (rounded down to the nearest GHS1.00) added to the principal amount of the New Tranches and distributed across the New Tranches in the same proportion as the Exchange Consideration Ratios set forth in the tables below.

Eligible Holders holding Eligible Bonds maturing on or prior to the Reopening Settlement Date (including, without limitation, any extension of the Reopening Settlement Date) (each such Eligible Bonds, a “**Maturing Eligible Bond**”) will not receive a final interest payment (except for Accrued Interest Payable for tendering holders as described herein) or a final principal payment (regardless of whether an Eligible Holder has tendered or not) on such Maturing Eligible Bonds. Offers or Exchange Instructions in respect of Maturing Eligible Bonds made after their maturity date but prior to the Reopening Settlement Date will be, and those made prior to such maturity date will remain, valid, and the Republic will treat Maturing Eligible Bonds in respect of such Offers or Exchange Instructions as still outstanding for purposes of the Invitation to Exchange.

The Republic is also offering Eligible Holders whose validly submitted Offers are accepted and who receive New Tranches on the Reopening Settlement Date a payment on or about 3rd October 2023 equal to the interest that would have accrued on such New Tranches from 21st February 2023 to but excluding 22nd August 2023 (the first interest payment date under the Existing Exchange Series) as if such New Tranches had been issued on 21st February 2023 and held by such Eligible Holders as of 22nd August 2023; except that those tendering Eligible Holders who received coupon payments on their Eligible Bonds after 21st February 2023 will instead receive a cash payment equal to the interest accrued on their Eligible Bonds from and including such last coupon payment date to but excluding 22nd August 2023.

Calculations

All calculations made in respect of principal and interest due on Eligible Bonds made by the Republic shall, in the absence of manifest error, be final and binding.

No Selling Restrictions

The New Tranche Documentation will not restrict the ability of the New Tranches to be traded in the secondary markets.

Financial Terms of the New Tranches

Interest on the New Tranches will be paid in cash ("**Cash Interest**"), except that with respect to the General Category New Tranches only, and only during the period from and including 21st February 2023 to but excluding 18th February 2025, the Republic will pay a specified portion of the interest (the "**PIK Interest**") by instead increasing the principal amount of such General Category New Tranches. For the specific PIK Interest portion for each General Category New Tranche, see "*Financial Terms of the New Tranches*". When the Republic pays any PIK Interest, it will increase the principal amount of the applicable General Category New Tranches in an amount equal to the amount of PIK Interest for the applicable interest payment period (rounded down to the nearest GHS 1.00) to holders of such General Category New Tranches on the relevant record date.

See "*Financial Terms of the New Tranches*" above for a detailed description of the financial terms of the New Tranches.

Amendment and Extension of this Invitation to Exchange by the Republic

The Republic reserves the right to amend any of the terms and conditions set out in this section or to terminate this Invitation to Exchange at any time. The Republic shall endeavour to notify Eligible Holders of any such amendments or termination promptly, by way of press release or a notice published on the Invitation Website, in each case as promptly as practicable. For the avoidance of doubt, the Republic's rights to amend in its sole discretion, as set forth below and in this Exchange Memorandum relate only to the terms of this Invitation to Exchange during the pendency of the Invitation to Exchange and are not rights of the Republic to unilaterally amend or modify the terms of the New Tranches following the Reopening Settlement Date.

These amendment rights of the Republic shall include, but shall not be limited to, the rights to act in its sole discretion in order to:

- (1) amend the coupon, maturity, or other commercial features of any or all the New Tranches, on a series by series basis or generally;
- (2) amend, shorten or extend any date set out in the transaction timetable for this Invitation to Exchange (including with respect to one or more series of Eligible Bonds), or make provision for additional settlement dates or the period of this Invitation to Exchange generally;
- (3) determine whether any person can participate in this Invitation to Exchange as an Eligible Holder;
- (4) amend the procedures for making Offers;
- (5) waive any defect in any Offer submitted by an Eligible Holder, or grant any exceptions to the terms and conditions set out in this section or the procedures for making Offers set out in Appendix 2, either on a case by case basis or generally;
- (6) determine whether to accept or reject any Offer made by an Eligible Holder including a partial offer, being an Offer made by an Eligible Holder in respect of less than his entire holding of Eligible Bonds. The Republic

- strongly discourages Eligible Holders from making such partial offers. In fact, by tendering their Eligible Bonds, Eligible Holders represent and warrant that such Eligible Bonds constitute all the Eligible Bonds owned by them;
- (7) amend the procedures for the making, withdrawal and amendment of Offers by Eligible Holders;
 - (8) amend the procedures for the receipt, acceptance and settlement of Offers, including the receipt, acceptance and settlement of late Offers;
 - (9) exclude any series of Eligible Bonds from this Invitation to Exchange; and
 - (10) amend the terms and conditions set out in this section, or the procedures for making Offers set out in Appendix 2, with respect to Eligible Holders whose Eligible Bonds are subject to a pledge.

Blocking, Debit and Disclosure Instructions

By submitting an Offer or Exchange Instruction, Eligible Holders consent to the CSD's:

- blocking any attempt to transfer an Eligible Holder's Eligible Bonds prior to the Reopening Settlement Date or the termination of the Invitation to Exchange;
- debiting an Eligible Holder's account on the Reopening Settlement Date in respect of all of such Eligible Holder's Eligible Bonds, or in respect of such lesser portion of such Eligible Holder's Eligible Bonds as are accepted for exchange by us; and
- disclosing to the Republic, its advisors and the Information and Coordination Agent any information that the CSD maintains regarding the applicable CSD participant account holder and the legal and beneficial owners of the Eligible Bonds being tendered.

Upon a valid withdrawal of a submitted Offer or Exchange Instruction in accordance with the terms and conditions described herein any blocking and debit instruction in connection with such Offer will be automatically withdrawn.

Withdrawal Rights

If the Republic exercises its right to amend any term or condition of this Invitation to Exchange set out in this section of this Exchange Memorandum generally, and if the Republic then determines that such amendment is materially adverse to the interest of some or all Eligible Holders, the Republic shall also grant to those affected Eligible Holders, for a minimum period of three (3) days, the right to voluntarily withdraw their Offers or Exchange Instructions (the "**Withdrawal Rights**"). If an Eligible Holder who submitted an Offer or Exchange Instruction validly exercises its Withdrawal Rights in respect thereof, then, on the Reopening Settlement Date (and, for the avoidance of doubt, during the Invitation Period), such Eligible Holder will continue to hold its Eligible Bonds as if such Offer or Exchange Offer had not been submitted in the first place. If such Withdrawal Rights

are made to apply, the Republic shall endeavour to notify Eligible Holders promptly, by way of notice published on the Invitation Website.

For the avoidance of doubt, the Republic may choose to grant Withdrawal Rights to Eligible Holders in respect of Offers made in respect of Eligible Bonds on a series-by-series basis, such that in certain circumstance some, but not all, series of Eligible Bonds may be eligible to exercise Withdrawal Rights.

Extension of Reopening Settlement Date and Longstop Date

The Republic reserves the right to extend the Reopening Settlement Date of this Invitation to Exchange (including with respect to one or more series of Eligible Bonds) without offering Eligible Holders Withdrawal Rights, provided that such extended Reopening Settlement Date is not later than 29th September 2023 (the “**Longstop Date**”). The Republic may extend the Reopening Settlement Date beyond such Longstop Date and designate a new Longstop Date, but such extension will be subject to the granting of Withdrawal Rights for a period of three (3) business days after the public announcement of such extension unless otherwise specified at the Republic’s sole discretion.

Expiration Date for Offers

Offers may be made by Eligible Holders after the Launch Date. All such Offers must be delivered by 4:00 p.m. GMT on the Expiration Date. The Republic may in its sole discretion extend the Expiration Date (including for one or more series of Eligible Bonds).

The deadlines set by any CSD Direct Participant to Eligible Holders will be earlier than the Expiration Date.

Acceptance of Offers by the Republic and No Revocation Rights

All Offers made by Eligible Holders are irrevocable (subject to Withdrawal Rights described herein under certain limited circumstances).

The Republic shall, in its sole discretion, determine whether to accept or reject any Offer (including late Offers), without any obligation to provide its reasons for doing so.

Announcement of Results of Invitation to Exchange

The Republic intends to announce the results of this Invitation to Exchange on the Announcement Date.

Representations, Warranties and Covenants Deemed to be Made by Eligible Holders Submitting Offers

In addition to the other representations, warranties and covenants contained elsewhere in this Exchange Memorandum, by submitting an Offer or Exchange Instruction

each Eligible Holder will be deemed to make the following representations, warranties and covenants to the Republic:

- (1) the Eligible Holder is or will be the legal holder of record of the Eligible Bonds by the Reopening Settlement Date, with full power and authority to make the Offer in respect of Eligible Bonds for the purposes of this Invitation to Exchange;
- (2) the Eligible Holder meets the criteria of an Eligible Holder;
- (3) the Eligible Holder has accepted the terms and conditions of this Invitation to Exchange set out in this section and in the Exchange Memorandum generally;
- (4) there are no liens, pledges, charges, security interest, encumbrances, or similar restrictions (for the purposes of this paragraph only, "**restrictions**") on the Eligible Bonds that are the subject of the Offer made by the Eligible Holder; or, if any such restrictions exist at the time the Offer is made, the Eligible Holder has made the necessary arrangements with any beneficiary of the restriction to either (i) remove the restriction at the time any Offer is made, so that the Eligible Bonds may be accepted by the Republic free of such restrictions but subject to the imposition of the restriction on the New Tranches issued in place of the Eligible Bonds or (ii) to fully discharge the restriction on or before the Reopening Settlement Date;
- (5) not to assign, pledge or otherwise transfer or trade in the Eligible Bonds subject of the Offer and consents to their immobilization at the CSD, in each case from the earlier to occur of any Offer or Exchange Instruction in respect of Eligible Bonds sent by such Eligible Holder to a CSD Direct Participant or the direct submission of an Offer or Exchange Instruction in respect of such Eligible Bond directly to the CSD, as applicable; and
- (6) the Eligible Holder agrees to disclose to the Republic, its advisors and the Information and Coordination Agent any information that the CSD maintains regarding the applicable CSD participant account holder, the legal and beneficial owner of the Eligible Bonds and the Eligible Bonds being tendered, and all the information included in the relevant instruction.

Final settlement and delivery of New Tranches

Any Offers accepted by the Republic will result (i) in the case of GoG GHS Eligible Bonds, in electronic cancellation of such GoG GHS Eligible Bonds at the CSD on the Reopening Settlement Date, and (ii) in the case of SOE Eligible Bonds, in the transfer, on the Reopening Settlement Date, of such SOE Eligible Bonds in favour of the Republic who will become the holder of such SOE Eligible Bonds.

On the Reopening Settlement Date the Republic will issue the New Tranches to Eligible Holders whose Offers are accepted for credit to the account of such Eligible Holder at the CSD.

Where Eligible Bonds are subject to any liens, pledges, charges, security interest, encumbrances, or similar restrictions (for purposes of this paragraph only, "**restrictions**") at

the CSD, the Eligible Holder who has made an Offer or Exchange Instruction to exchange such Eligible Bonds shall be deemed to represent and warrant to the Republic that he has made the necessary arrangements with the party benefiting from the restriction, to release the restriction for the purposes of this Invitation to Exchange and where such restriction is recorded at the CSD shall be deemed to authorize the CSD to re-impose such restriction on the New Tranches when issued.

Treatment of New Tranches for Regulatory Purposes

The Republic recognises that some of the Eligible Bonds are held by banks, specialised deposit-taking institutions, custodians, collective investment schemes, fund managers, licensed financial institutions, and other financial institutions regulated under Ghanaian law, as part of their liquid assets requirement and capital requirements for regulatory and prudential purposes. The relevant Ghanaian regulatory authorities have confirmed that New Tranches will qualify as liquid assets and for capital purposes under their respective regulatory and prudential regimes. Financial institutions may seek additional clarification from their relevant Ghanaian regulatory authority.

The Minister for Finance, having consulted with the Bank of Ghana, the National Pensions Regulatory Authority and other financial sector regulators in Ghana proposes the establishment by the Republic of a special fund – to be called the Ghana Financial Stability Fund - which will provide ultimate liquidity support (if required) to regulated financial institutions in Ghana participating in this Invitation to Exchange in accordance with operational rules to be announced for access to the Fund.

Validity of New Tranches

The Republic will issue the New Tranches pursuant to the authority of the 1992 Constitution and the relevant provisions of the Public Financial Management Act 2016 (Act 921).

When issued, the New Tranches will be valid and enforceable by their holders in accordance with their terms.

Governing Law

This Exchange Memorandum and any contract arising from acceptance by the Republic of Offers made by Eligible Holders will be governed by the laws of the Republic of Ghana.

The purpose of this Invitation to Exchange is to provide those holders who did not participate in either of the Prior Domestic Cedi Exchanges with the opportunity to exchange their Eligible Bonds for New Tranches.

Upon tendering Eligible Bonds, the exchange consideration you will receive (including which New Tranches and their allocation per amount of principal tendered) will depend upon the category of Eligible Holder applicable to you (each such category a "**Holder Category**"). "**Category A Holders**" consist of Eligible Holders that are Collective Investment Schemes (as defined below) or natural persons below the age of 59 years old as of 1st January 2023. "**Category B Holders**" consist of Eligible Holders that are natural persons 59 years old or older as of 1st January 2023. For purposes of the Invitation to Exchange, a "**natural person**" is a natural person who, in respect of the Eligible Bonds being tendered by such person, is registered as such (or with an equivalent term) in the records of the CSD.

Eligible Holders whose validly submitted Offers are accepted by the Republic will receive on the Reopening Settlement Date principal amounts of New Tranches which will be allocated (as further described below) depending on such Eligible Holder's Holder Category when they tender. (a) Category A Holders will receive a new Tranche of each of the Republic's Domestic Exchange Series 2023-A-1 Bonds due 2027 and Domestic Exchange Series 2023-A-2 Bonds due 2028 ("**Category A New Tranches**").
