CONFIRMATION OF GO-LIVE OF CSD PLATFORM ON MARCH 29, 2016

The CSD wishes to inform banks, brokers, other capital market participants and the general public that the launch of its new platform scheduled for **Tuesday March 29, 2016** will come on as planned. We have undertaken critical analysis of the processes leading to the Go-Live and are confident the change-over will be a success.

New securities account numbers will be created for equity holders in the GSE Depository and will be made available to brokers and custodian banks by mid-day on **Friday March 25, 2016**.

Investors are encouraged to contact their brokers for their new securities account numbers to facilitate trading on the Ghana Stock Exchange with effect from **Tuesday March 29, 2016**.
